

Capital Projects Funds account for the County's acquisition and construction of major capital facilities.

Internal Service Funds account for the County's self-insurance program and employees benefit fund.

Private-purpose Trust Fund accounts for resources legally held in trust by a not-for-profit organization devoted to providing indigent health care. All resources of the fund may be used for the organization's activities.

Agency Funds are used to account for monies held for other and then it is disbursed to the appropriate group of held in a custodial capacity. These resources include funds for individual in accordance with court decrees by the County or District Clerk, other taxing entities within the County, and the State of Texas. Fiduciary Fund Financial Statements include a Statement of Net Position. The County's Fiduciary fund represent Agency Funds, which are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. The Agency funds are accounted for on the accrual basis of accounting. Accordingly, all assets and liabilities are included on the Statement of Net Position. Because the assets are held in an agent capacity and are not available to support County programs, these funds are not included in the government-wide statements.

D. Assets, Liabilities and Net Position or Equity

Cash and Cash Equivalents

For purposes of the statement of cash flows for the proprietary fund types, the County considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

Investments

Investments for the County are reported at fair value, except for the position in investment pools. The County's investment in pools are 2a7-like pools and are reported at the net asset value per share (which approximates fair value) even though it is calculated using the amortized cost method. A 2a7-like pool is one which is not registered with the Securities and Exchange Commission ("SEC") as an investment company, but nevertheless has a policy that will, and does, operate in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds." The effect of interfund activity has been eliminated from the government-wide financial statements. All trade and property tax receivables are shown net of an allowance for uncollectable.
