## G. <u>Define Benefit Pension Plan</u>

**Plan Description.** The County participates in a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System ("TCDRS"). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent, multiple-employer, public employee retirement system consisting of nontraditional defined benefit pension plans. TCDRS issues a publicly available comprehensive annual financial report (CAFR) that can be obtained at www.tcdrs.org.

All full and part-time non-temporary employees participate in the plan, regardless of the number of hours they work in a year. Employees in a temporary position are not eligible for membership.

**Benefits Provided.** TCDRS provides retirement, disability and survivor benefits for all eligible employees. Benefit terms are established by the TCDRS act. The benefit terms may be amended as of January 1, each year, but must remain in conformity with the Act.

Members can retire at age 60 and above with 8 or more years of service, with 20 years of service regardless of age, or when the sum of their age and years of service equals 75 or more. Members are vested after eight years of service, but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by their employer.
