Required Components of
Rockwall County's Annual Financial Report

Basic Financial Statements

The first two statements (pages 13 and 14) in the basic financial statements are the *government-wide* financial statements. They provide both short and long-term information about the County's financial status.

The next statements (pages 15 through 23) are *fund financial statements*. These statements focus on the activities of the individual parts of the County's government. These statements provide more detail than the government-wide statements. After the notes, *supplemental information* is provided to show details about the County's individual funds. Budgetary information required by the general statutes also can be found in this part of the statements.

Government-wide Financial Statements – The government-wide financial statements, which begin on page 13 of this report, are designed to provide readers with a broad overview of the County's finances, in a manner similar to a private-sector business. The government-wide statements provide short and long-term information about the County's financial status as a whole.
